

**B-course includes:**

- 4 theory lessons L1-L4 at school or online
- 4 theory lessons B1-B4 (voluntary, online, in Finnish)
- study material, office services
- 10 driving lessons with a car à 50 min
- car and teacher's time in 1. driving test
- risk management training including 4 theory lessons R1-R4 at school or online and 4 driving lessons
  - We use JSA`s slippery track in Lievestuore to teach slippery lessons.
  - Of all the driving lessons, dark driving is the only one that is with simulator and other driving lessons are with a real car.
- 4 voluntary driving lessons with simulator

**Course fee 1490,00 + slippery track fee 60,00 + authority fees 160,00 = 1710,00**  
(including minimum lessons)

**If there is need for extra driving lessons**, one extra driving lesson (50min) cost 86,00.

Notice, that you might need some or many extra lessons or minimum might be enough, we can't know this beforehand, it depends how quickly you learn....

In some case you might also need two pictures for driving license permit and possibly medical certificate. "to get a permit for driving license: applicant lives permanently in Finland or has been studying in Finland for at least six months"

Other possible fees: re-payment of theory test to Ajovarma 35,00 and re-payment of driving test to Ajovarma 90,00. In re-driving test, car and teacher time 120,00 to driving school.

Oral theory test 94,00, an example if there is need to bring translator to the test.
